The arrangement between the Bombay and Mysore Governments is that each Government should pay its officers the T.A. due to them for attending the Criminal Courts of the other. This arrangement was agreed to only for one year from 1st July 1926 with a view to alter it at the end of that period if either Government thought it was thereby a loser. The Bombay Government have not re-opened the question till now. The expenditure incurred by the Mysore Government on account of T.A. paid to Mysore Officers for attending the Criminal Courts in the Bombay Presidency during the year ending 30th June 1927 was Rs. [illegible]-0. The Bombay Government state that during the same period they paid Rs. 17-3-0 to one of their Police Officers for attending a Criminal Court in Mysore and that elaborate enquiries are necessary to find out whether any other officers of that Government were paid T.A. for similar journeys. As the expenditure incurred by that Government is not known, it is not possible to say which Government has been the loser. The probabilities, however, are that the loss is all on the side of Mysore Government as the number of official witnesses from the Bombay Presidency appearing in Criminal Courts in Mysore is comparatively small. The present basis of reciprocity is not also sound in principle. It is

the Government concerned that should pay the travelling expenses of witnesses summoned by its Criminal Courts and the fact that they happen to be officers of another Government makes no difference at all as to the incidence of this charge. The existing arrangement has therefore to be terminated ws The most equitable course would be for each Government to pay the officers of the other such T.A. as they would get for journeys on duty under the Service Regulations applicable to them. This is the arrangement in force between Mysore and Madras Governments. It was suggested to the Bombay Government for adoption. But they were not prepared to follow it. (Vide their letter of 11th January 1926) And they are not likely to agree to it now even if requested to reconsider the matter, as numerous Indian States have already accepted the arrangement they desire. The only other alternative is to let the Officers of each Government be treated by the Criminal Courts of the other as private witnesses. In that event two contingencies will have to be considered viz.,

vide P. 16 of Circular orders of the Bombay High Court.

(1) When the Mysore Officers are not paid any T.A. for attending Bombay Courts either by the Bombay Government or by the party citing them, and

Payment of travelling allowances and batta to witnesses attending criminal courts.

With reference to your letter No.406/184-1885, dated the 17th January, 1928, I am directed by the Governor in Council to state that from the Police Department of the Bombay Presidency only one Sub-Inspector of the Belgaum District Police Force attended in his official capacity a court in the Mysore State for the purpose of giving evidence during the year ending the 30th June, 1927, and was paid travelling allowance of Rs.17-3-0. No other expenses were incurred in this connection by officers of the police, judicial or revenue departments. With regard to the other officers of the Government of Bombay, a separate account showing the amounts of travelling allowance and batta paid to them for attending criminal courts in the Mysore State has not been kept and it is regretted that information is not available without further elaborate inquiries. These will be made if so desired.

Sir,

I am directed to acknowledge the receipt of your Memorandum No. 5985/184-1885 dated 22nd June 1928 communicating the reply of the Government of Bombay as to the f.... paid by them to their officers during the year ending 30th June 1927 for attending Criminal Courts in Mysore under the arrangement agreed to ~~in their correspondence~~ in my letter No. Pol.1166 dated 22nd June 1926. As ~~this arrangement has been found by experience to entail on the Mysore Government an expenditure which is not properly to be borne by them~~ I am to request that the Government of Bombay may kindly be informed that it may cease. I am to add that if the Government of Bombay are not prepared to accept the basis of reciprocity in this matter proposed in my letter No. Pol.689 dated 19th February 1926 the former practice of the Courts concerned paying the travelling allowances of the official witnesses appearing before them under the rules laid down for their guidance by the respective Governments may be resumed.
